

# 와이어프레임(Wireframe) 제작하기 : CSS 섹션 UI 디자인 - 커스텀 체크박스 로그인 폼

The wireframe shows a 'Login Accounts' form on a purple and blue gradient background. The form is white with a black border. It includes the following elements:

- Title:** Login Accounts
- User Email:** A text input field with a placeholder 'Type your email' and a user icon.
- User Password:** A text input field with a placeholder 'Type your password' and a lock icon.
- Save your email:** A checkbox with the label 'Save your email' and a link 'forgot password?'.
- Event emails:** A section titled 'Would you like to receive event emails?' with radio buttons for 'Yes' (selected) and 'No'.
- LOGIN:** A large blue button.
- Or Login using:** A section with four social media icons: Google, Facebook, Next, and Messenger.
- Have not account yet?:** A section with a 'SIGN UP' button.
